Mr. Michael Lo Grande
Director of City Planning
Los Angeles City Hall, Room 525
200 North Spring Street
Los Angeles, California 90012

Dear Planning Director LoGrande,

At our regularly held public meeting on April 9, 2013, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to give general support to the City Market of Los Angeles project, pursuant to the motion passed on March 19, 2013, by DLANC's Planning & Land Use Committee ("PLUC").

The City Market project will be a big catalyst for development for the Fashion District and if done right, this can stimulate future developments similar to what LA Live did for South Park. Currently, the project is at a concept level and needs further refinement but the idea of a large scale project such as this will have a profound impact on Downtown LA.

DLANC supports the City Market project and their team on their long journey to get the project off the ground. As the project progresses, DLANC will be involved along the way to provide input to make this a great project for the Fashion District and the entire Downtown community.

Thank you for your consideration.

Very truly yours,

Patricia Berman
DLANC President
