Did you know children who are not reading at grade level by 4th grade are four times more likely not to graduate from high school?

LA's BEST and AARP Foundation can make a difference in the lives of adults 50+ and youth in communities throughout Los Angeles with the introduction of this award-winning literacy program. It is a proven early literacy tutoring and mentoring program with a focus on kindergarten through third grade. The students that are selected have tested below grade level and will thrive when receiving extra attention and support provided by a caring, encouraging adult. Volunteers are thoroughly trained and placed at LA's BEST sites to work with students in small groups. Contact us today, to become a child's Book Buddy!
