December 11, 2018

Dear (Name of Skid Row Job Fair Vendor),

It's the time of the year to count our blessings and reflect on the year's successes.

Without question, your participation in DLANC's Skid Row Job and Job Resource Fair was a huge contribution to us and to the 400+ participants who came to the fair in April. Together, we helped change the lives of people who otherwise would not have had easy access to employers and training. We even had five people hired on the day of the Fair!

Many other people were helped by getting access to IDs, health and wellness resources, and information about housing and services.

We thank you again for your participation and look forward to working together in 2019 to produce another successful Skid Row Job and Job Resource Fair.

Wishing you a joyful holiday season,

Patti Berman

President, DLANC

Wendell Blassingame
