

The Crime and Safety Ad-Hoc Committee will focus on crime and safety in DTLA. We will do so by sending letters to officials who can make a difference, advocating for policies that could make DTLA safer, focusing on things that can be done in DTLA itself to decrease crime, and offering a forum where the LAPD can meet with the people of DTLA.

The committee is asking for a life of 1 year. Josh Albrektson will chair the committee.
